Terms & Conditions

Customers will pay a 10% surcharge on all rentals for our Rental Protection Plan (RPP) and will qualify for the following benefits.

THEFT PROTECTION

When equipment is stolen under our RPP the customer is only responsible for 10% of the manufacturer's suggested list price, up to a maximum of \$2500. To qualify for RPP equipment must be used as per our terms and conditions and we require a police report to stop further rental charges. Customer is responsible for all rental charges until a police report is received. If equipment is recovered at a later date it remains property of PG Rental Centre.

DAMAGE PROTECTION

Customers with RPP qualify for a deductible which is 10% of the repair cost for claims up to \$10,000. Claims over \$10,000 are subject to a \$2,500 deductible. If the repair costs total less then \$250.00 no deductible will be charged. Incidentals and wear and tear items such as fuel, cleaning, resale items, diamond cutting product wear and any other excessive wear are not be covered by the RPP.

TIRE PROTECTION

Our RRP includes the first \$50 towards the repair and replacement of punctured and damaged tires.

RENTAL LIABILITY

Customers with RPP are not responsible for rental charges while equipment is being repaired. There are limitations to our RPP coverage which are clearly listed on our Rental Contract Terms and Conditions (available online at <u>www.pgrentalcentre.com</u>).

ACCOUNT CUSTOMERS

Account Customers will have the option to accept or decline our RPP. When the RPP is declined the customer is responsible for all damages and required to provide proof of adequate coverage by their own insurance provider.

CUSTOMER CARE

As part of the RPP plan account customers are automatically enrolled in our Customer Care Program and receive free service calls during regular business hours and will not be charged or calls resulting from operator error and non-mechanical issues. After hours calls (evenings and weekends) are also waived for account customers on a case by case basis.

LIMITATIONS

Our RPP plan is not insurance and does not protect or limit renters or third parties from liability resulting from customer possession, use or operation of equipment including injury or damage to persons or property.
